

REMARKS

This amendment is presented in response to the final office action mailed February 9, 2005. Although this is being submitted after final rejection, papers are enclosed to file a Request for Continued Examination.

By this amendment, the specification was changed to correct a typographical error. Claims 1-64 were canceled and replacement claims 65-83 introduced. New claims 65-83 enjoy widespread support in the original specification, with some examples including Figure 1, Figures 3A-3D, pages 5-6, 8-12, 14, 16, etc.

As for the rejections in the final office action, these are moot in view of the claim substitution. Applicant requests favorable reconsideration and allowance of all claims in the application.

An appropriate fee submittal is enclosed herewith. If this is inadvertently missing, or the fees are incorrect in amount, please charge the charge the required fees (or credit any overpayment) to Deposit Account No. 07-1445.

Respectfully Submitted,

Michael Glenn
